

March 6, 2014

Cormer Group Industries  
1445 Church Ave,  
Winnipeg, Manitoba,  
Canada R2X 2X9

Subject: Cormer Routing / Shipping Instructions

---

The following instructions are in effect as of March 6, 2014. All shipments to Cormer Group Industries (except those being delivered on a flatbed or flat deck type truck) are to ship to Cormer's warehouse location, located at:

Cormer Group Industries Inc.  
1445 Church Avenue  
Winnipeg, Manitoba  
Canada R2X 2X9

Shipments to Cormer Group Industries being delivered on a flatbed or flat deck type truck shall be delivered to Cormer's machine shop location at:

Cormer Group Industries Inc.  
33 Bentall Street  
Winnipeg, Manitoba  
Canada R2X 2X7

**Note: Please do not indicate the value of the shipment on the packing list or BOL as Cormer does not wish to pay for any shipment insurance. Failure to comply with this instruction will result in the shipper being responsible for paying any extra shipping insurance costs.**

#### **Canadian Origin Shipments**

For all collect (Cormer pays) shipments that are less than 100 lb shipping from anywhere in Canada to Cormer Group Industries, please contact Cormer by email at [ShippingDepartment@cormeraerospace.com](mailto:ShippingDepartment@cormeraerospace.com) with shipment weight, number of pieces and dimensions and Cormer will advise if the shipment will ship via Fed Ex ground truck service or via Fed Ex economy air service. If Cormer requests expedited delivery, ship as per Cormer instructions.

For all collect (Cormer pays) shipments that are more than 100 lb shipping from anywhere in Canada to Cormer Group Industries, ship via Purolator regular service. Expedited delivery is not allowed, unless otherwise specified in writing by Cormer.

For all collect (Cormer pays) shipments that are more than 5,000 lb shipping from anywhere in Canada to Cormer Group Industries, please contact the buyer for shipping instructions.

**USA Origin Shipments**

For all collect (Cormer pays) shipments that are less than 100 lb shipping from the U.S.A. to Cormer Group Industries, please contact Cormer by email at [ShippingDepartment@cormeraerospace.com](mailto:ShippingDepartment@cormeraerospace.com) with shipment weight, number of pieces and dimensions and Cormer will advise if the shipment will ship via Fed Ex ground truck service or via Fed Ex economy air service. Expedited delivery is not allowed, unless otherwise specified by Cormer. If Cormer requests expedited delivery, ship as per Cormer instructions.

For all collect (Cormer pays) shipments that are more than 100 lb shipping from the U.S.A. to Cormer Group Industries, ship via YRC (Yellow / Roadway) regular service. If Cormer requests expedited delivery, ship via YRC expedited (Fast-As-Flite) service, unless otherwise specified in writing.

For all collect (Cormer pays) shipments that are more than 5,000 lb shipping from anywhere in the U.S.A. to Cormer Group Industries, please contact the buyer for shipping instructions.

**GDELS - Mowag Origin Shipments**

For all collect (Cormer pays) shipments that are less than 100 kg shipping from GDELS-Mowag to Cormer Group Industries, DHL Global Air freight service will consolidate these lighter weight shipments (usually over a period of several weeks) and wait for instructions from Cormer when to ship these consolidated shipments at one time via DHL Global Air Freight.

For all collect (Cormer pays) shipments that are more than 100 kg shipping from GDELS-Mowag to Cormer Group Industries, ship via DHL Global via ocean / sea freight to the DHL warehouse in Mississauga, Ontario, Canada. If Cormer requests expedited delivery in writing, ship via DHL Global via air freight.

**European Union Origin Shipments**

For all collect (Cormer pays) shipments that are less than 100 kg shipping from Europe (other than from GDELS) to Cormer Group Industries, ship via air freight using the carrier the buyer has specified.

For all collect (Cormer pays) shipments that are more than 100 kg shipping from Europe (other than from GDELS) to Cormer Group Industries, ship via ocean / sea freight using the carrier the buyer has specified. If Cormer requests expedited delivery in writing, ship via air freight using the carrier the buyer has specified.

**Cormer Shipping Accounts**
